***Allowable Subject Matter***

1. Claims 1-6, and 9-13 are allowed over the prior art of record.
2. The following is an examiner's statement of reasons for allowance: The prior art of record fails to disclose either singularly or in combination the invention as claimed, including a method, system, and software tool for optimizing an engineering design comprising at least the means for and steps of conducting a sensitivity analysis on the engineering design to determine a set of performance factors, wherein each performance factor defines an effect, on a set of metrics for the engineering design, of variations in a selected design variable over a range of values, while holding the set of design variables, except for the selected design variable, at the baseline set of design values; and manually changing one or more of the baseline set of design values based on the set of performance factors to generate an updated set of design values for the set of design variables.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
